WARNING

Under Nebraska Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to this act.

1. All horses to be shown must be identified by August 15th in the year shown. A copy of horse's registration papers or a copy of registration application for weanlings only, must accompany all nomination forms.
2. All horses coming from outside Nebraska must have current 30 day health and negative coggins within 1 year. Please bring these to the office to be checked in with your horse. This is required and anyone not having this paperwork will be refused entry into the stalling area.
3. All horses, including weanlings, must have registration papers on file with the secretary. **Weanlings only** must provide original copies of papers at the gate. These will be matched with the horse before each class is judged. Failure to present original registration certificate at the gate will result in disqualification of this entry, and all monies paid will be forfeited. No exceptions.
4. No refunds are allowed in the futurity for any reason. In the case of missed class, no shows, disqualification, any fees paid, or owed are forfeited and shall remain in the Futurity fund.
5. Inhumane treatment of any horse will be grounds for disqualification of that horse. If this occurs, all entry fees and possibly awards will be forfeited. Inhumane treatment shall be defined first according to the current NSBA handbook and if not addressed in that publication will be defined according to that animal's respective breed's handbook.
6. If a nominated entry dies, you may request a substitution entry with your purchased slot, provided this request is accompanied by a veterinarian's notarized statement of death submitted in writing to the futurity committee along with request for substitution. The futurity committee will render a decision which shall be final. This request must be made by August 15th of the respective year.
7. All horses shown in the futurity will be subject to testing at random for the presence of prohibited medications. The prize money in that division may be withheld pending the receipt of the results of any drug tests. Tails will also be subject to testing at the discretion of the show management. All AQHA, APHA, ApHC, ABRA, IBHA, PHBA, and PtHA rules and regulations relating to prohibited medications, and alteration of tails will be applicable.
8. Any protest must be in written form accompanied by a \$250.00 deposit and submitted to the Futurity Committee Chairperson within two (2) days of the Futurity Show. Owner of protested horse must make the horse in question available for testing according to current breed procedure and rules. If testing proves the correct parentage, or compliance of rules, then the protestor forfeits the deposit. If in the case of incorrect parentage or proven non compliance of rules, the protestor will have the deposit refunded and all incurred costs will be billed to the owner of protested horse. The horse will be disqualified and all other exhibitors will be moved up accordingly.
9. All participants in this show agree to make no claims against Fonner Park, Five Star Futurity and Open horse Show, Futurity Innovations LLC, or anyone acting for or working through them for injury or damage or loss of any animal, person or property. This agreement would include but is not limited to such injury, loss, or damage resulting from any cause, including negligence of any person connected to the futurity or its location.
10. In the case of an unusual request or circumstance, the board of Futurity Innovations LLC will take such request under advisement and their decision will be final.
